

Science p7/transition Website:

Welcome to Mearns Academy Science Faculty!

The Science Staff are:

- Mrs Shanks (Faculty Head)
- Mrs Monachello
- Miss Watt
- Miss Cross
- Mr Jappy
- Miss Friar
- Dr Kendall
- Dr Mackie

Science lessons are designed to include as much practical work (usually experiments) as possible. Our course is written to give you experience of the 3 different Sciences (Biology, Chemistry and Physics) with two units from each science being taught in rotation.

The units that we cover in S1 are:

Rotation 1

- The Environment (Biology)
- Matter (Chemistry)
- Energy (Physics)

Rotation 2

- Cells (Biology)
- Everyday Chemistry (Chemistry)
- Heat and Light (Physics)
