

## Social Subjects at Mearns

At Mearns Academy, Social Subjects involves the study of History, Geography and Modern Studies.

*S1 History involves the study of key events within Scottish History including the Stone Age, Romans and the Wars of Independence.*

*In S1 Geography you learn about weather, climate and develop a range of map skills. These skills can be used in everyday life.*

*Modern Studies is the study of the world today and current events. In S1 Modern Studies you will learn about the rights and the responsibilities of children around the world.*

*Modern Studies helps you to understand key events in the world today. This helps you become a responsible global citizen.*
