

## Faculty of Technologies

We look forward to welcoming you to our faculty in the south block of the school. Within our faculty we have three departments, Business Studies, Computing Science and Technical Education. You will see Business studies and Computing Science once a week where in term 1, we run a joint ICT course so you about how to use the computer network and its programs which will help you throughout the school and Technical Education we see you twice a week where you will do Design and Manufacture (in the workshop) and Graphic Communication. (sketching, drawing boards and drawing using the computers)

The Faculty of Technologies staff are:

- Mr Hope (Faculty Head)
- Mr Sim (Technical Education)
- Mr Milne (Technical Education)
- Mr Bandeen (Technical Education)
- Mrs Lee (Business Studies and Computing)
- Mr Pollock (Business Studies)
- Mr McGill (Computing Science)

David Hope
