SQA Exams

Well done to all young people in our Senior Phase who have been taking SQA exams over the last few weeks. We would like to thank all staff across school and our team of invigilators for supporting the smooth running of the examinations.

Pupils Leaving School

We would like to take this opportunity to wish all young people who are leaving school the very best of luck. The door here is always open either for advice, support or simply to pop in for a visit.

Mobile Phone Policy

Thank you to all young people and all parents/carers for your support in implementing the new mobile phone policy. The vast majority of young people showed great respect for their learning and phones were out of sight unless permission had been given. There were 13 incidents across all subjects and periods where parents/carers were contacted via group . call. Thank you to MAPC for raising this issue and continuing to support the school.

Activity Days

Thank you to all staff who have organised a wide selection of activities for our young people this week. I am sure it will be an enjoyable experience for all and hopefully the weather is kind to us!
